

Wheels for Wellness

The Month in Review
February 2021

As the onset of the pandemic affected each of you, your friends and families, businesses and more it also affected non-profits, not only Wheels for Wellness.

Our signature fundraiser, Tablescape, which has been building momentum the past few years and catching on is such a fun and elegant afternoon, had to be canceled. If you've ever been to Tablescape you know not only in addition to beautifully decorated tables and displays there are also all kinds of goodies to bid on. The raffle consists of all kinds of items donated by local individuals and businesses.

Tablescapes 2021 is still a question, but we're bringing the items online and auctioning them! There's something for everyone!
