WFW received a grant from Shenandoah Valley Electric Cooperative through the Operation Round Up program. If you’re a SVEC customer we urge you to enroll in this program. Rounding your monthly bill to the next dollar makes a difference to your local non-profits. Can you learn more at <https://www.svec.coop/operation-round-up/>

Wheels for Wellness was nominated and upon approval was added to the catalog of non-profits eligible for donations through the Direct Choice Dollars with Thrivent Financial. If you are a member, you can learn more at <https://thrivent.com/> under the Generosity tab.

NATIONAL VOLUNTEER WEEK

APRIL 18-24

The week of April 18 volunteers across the county will be recognized for their contributions to the non-profits, agencies and organizations for which they volunteer their time and expertise. WFW volunteers are no exception! Your time and compassion shown to the clients does not go unnoticed. The Executive Director and Board of Directors are reminded by those served what a blessing reliable, kind and compassionate volunteers WFW has been fortunate to recruit. In the hustle and bustle of managing and overseeing the organization we sometimes forget to acknowledge this personally to you; however, it has not gone unnoticed. Thank you for all you do!
