Wheels for Wellness has been awarded an Impact Grant for 2021-22 through the United Way of Northern Shenandoah Valley. This grant helps us to continue our day-to-day operations. The application process is lengthy and includes a site visit as well as a panel presentation and quarterly progress reports. Thank you to those that have written a "review" of WFW that was included in the application.

THANK YOU for giving WFW your valuable time!

WFW needs volunteer drivers! Do you know of any friends, family or neighbors who may be interested in driving? Great, we'd love to have them!

Our typical driver pool consists of about 30 individuals. COVID has put a strain on drivers and we are currently operating with about 14 drivers.

New driver/volunteer application can be found on our website www.Wheels4Wellness.org or call Mike or Traci at 540-536-1006

Have you ever considered serving on the Board of Directors?
