

WHEELS FOR WELLNESS

FORMERLY KNOWN AS FAITH IN ACTION

APRIL-JUNE/JULY-SEPTEMBER 2020

ISSUE 3

Sharing the impact made in the community and the faces behind the program
Serving Winchester and the counties of Frederick, Clarke, Warren and northern Shenandoah

The organization is a 501 (c)(3) non-profit funded through grants, fundraisers and donations from churches, businesses, civic organizations and individuals. All transports are provided by dedicated Valley Health credentialed volunteers.

Currently WFW serves 88+ individuals per year providing approximately 3,000 transports.

The Board of Directors is excited to announce that Faith in Action will be doing business as **WHEELS FOR WELLNESS**. In an effort to avoid confusion and to better reach area residents who need our assistance we are changing our name. Officially it will be *Faith in Action* doing business as *Wheels for Wellness*. The new name is to better reflect the service provided and make it a more recognized **transportation** resource in the area.

While the name has changed, the focus and mission of the organization remain the same: providing free, door-to-door transportation to medical appointments and treatment for those in the service area with no other means of transportation.

Meet Board of Directors Secretary... Patty Taylor

Patty is the retired superintendent of Frederick County Public Schools, was a public educator for over 42 years. She has served on various community and nonprofit boards in our community over the last thirty years, she joined the Faith in Action board in 2017 and currently serves as its secretary. A Rotarian and high handicap golfer, she notes that the best part of retirement is the opportunity to reprioritize: faith, family, and friends.

2019:	2020: January-August
Transports: 3,261	Transports: 1,020
Clients served: 88	Clients served:
Miles Driven: 67,891	Miles Driven: 24,685.5

Halloween

Tuesday, November 3
Election Day

Wednesday, November 11
Veteran's Day

Thursday, November 26
Thanksgiving

How to report your time/mileage for transports:

At the start of each month please report your previous statistics to Mike at FaithIA@valleyhealthlink.com

Please report # of miles driven and # of hours

You may break it down by client or as a total sum

Your time and mileage begins when you leave home and ends when you return home from the transport. Any personal errands, etc. need to be removed from the total hours and miles driven.

If you have any questions about reporting, please email Mike.
Thank you for helping us keep accurate records of each and every client we serve and the associated transport!
