June 2025

## Month in Review

Greetings, all!  
It's June and officially  
SUMMER already!

The month in review had been put on hold until after Tablescapes. The fundraiser takes an incredible amount of time and energy to plan and host Tablescapes. The Board, committee and I were extremely busy

seeking sponsorships, inviting decorators, planning refreshments and music as well as all of the printing of tickets, designing the program and making sure everything is in place and coordinating our best event yet.

Tablescapes was a huge success again this year, netting \$25,000 for the organization. Photos of the event can be found on pages 6-7.

Save the date for next years event, our 10<sup>th</sup> year!  
Sunday, April 19, 2026.
